Hi Andrew,

Great to hear from you. I will be the point person going forward on anything Great Street but always feel free to copy Ashley in our correspondence.

Lets set up an introductory phone meeting next week on Tuesday or Wednesday afternoon.

Please let me know if you have availability on those two afternoons.

Best,
Wajenda

Hi Ashley,

My name is Andrew Thomas and I'm the Executive Director of the Westwood Business Improvement District. Westwood Blvd in our district is a Great Street.

The last couple of years, with the help of Carter Rubin, we've enjoyed two weeks per year of City Public Works crews in our district. During those periods, typically in the first or second quarters, we were able to complete sidewalk reconstruction, tree well expansion, curb repair, and other special projects.

I know there has been some transition with people involved with the Great Streets Initiative, but I hope we can continue to see Public Works services on Westwood Blvd.

Are you the correct person for me to chat with about this? Please let me know. It would be great to catch up on the phone to talk.

Thanks!

Andrew
